

ANNUAL REPORT 2023-24

Education is like a fragrance which spread sweet flavor of knowledge around the world.

An all rounder is not just versatile, they are the symphony of knowledge, skill and passion, playing every note to perfection. DSP INTERNATIONAL SCHOOL, aims to (be the pioneer of educational institutions, we are dedicatedly marching towards excellence.) foster dynamic learning environment where every student is inspired to achieve academic excellence, cultivate critical thinking, embrace diversity and become responsible global citizens equipped with skills for life long success.

Namaste, Good evening to our Hon. President Mr. Balaram Patil Sir , All dignitaries, dear parents and my beloved students.

I would like to welcome you all on behalf of DSP family.

I would like to thank all of you for responding to our invitation and gracing this occasion. It's a great honour to present before you the Annual report of DSP International School.

As you already know our inspiration Mr. Balaram Patil sir, president of our esteemed school has lead the foundation of dream education for most students. It is all because of his unending efforts that we stand here today. Its our pleasure that today sir is with us.

(Facilitators)

I truly appreciate my dear Facilitators who in great spirit and enthusiasm helped the students learn and grow it helped them to visualize achieving their goals. We all are really grateful to you all.

(Parents)

Words are limited in expressing my gratitude to our dear parents. We are very thankful to our dear Parents who continued to support us whenever, we asked for. We are looking forward to a strong partnership with you to ensure our children can achieve their highest potential and be successful in every stream they opt.

Also, I cannot miss to thank the nonteaching staff who take care of every single need of our students and put in their 100% to give us a healthy and fulfilling environment.

(Students)

I also want to express my deep gratitude for my dear students who sincerely devoted themselves and shown excellence in studies as well as in other curricular activities.

Let us take you through glorious journey of DSP International school.

(Library)

The school is well equipped with digital library and students are benefitting from it and It enhances their reading skill. Many activities are conducted on regular basis and student participation is really appreciated.

LABS

A School's very important part is its Labs so we have well equipped Biology, Chemistry, Physics, and composite labs. Students enjoy experimental learning. To support our students technically we have well equipped computer lab.

Smart board also known as interactive whiteboard, our many classrooms are equipped with smartboards which help student engagement, it provides an enriched learning experience which would help students to visualize the topics taught in class.

We have separate activity classrooms for Dance, music and Art and Craft.

AV ROOM

We have audio visual room where many student activities and workshops are conducted on regular basis.

I would also like to mention that our school is under CCTV Surveillance 24 x 7. So that our children can have safe and secure environment.

1. Academic Achievements

The school fulfills its promise of providing quality education to its students, all thanks to the students and hard work our team of Facilitators, exhibited in the form of academic excellence. The system of education in D S P International school is a blend of theory and Practical in the right proportion to arrive at a comprehensive curriculum. It gives me immense happiness and pride to announce that our CBSE results were cent percent. Our class XII toppers Hemant Dhake

(93 %), Ankita Roy (92%), Pratham Bade (89 %) & class X toppers Aryan Mohite (96 %), Preet Jain (95%), Sanmesh Pawar (94%).

I am also very proud to announce that our school's students won 2 gold medals in zonal (Maharashtra -Goa) 'Maths Olympiad' 5 scholar students passed in Maharashtra Scholarship examination 2022-23. We assure you that this year we are expecting more students to reach Merit.

2. Co-curricular Activities

To promote the competitive spirit to bring out the talent of the student by encouraging them to participate in various co-curricular activities like drawing, music dance etc. To talk about Co-curricular Activities different competitions were held, students participated in these competition with great spirit and enthusiasm and won prizes.

Our Sanstha organizes inter school essay and speech competition every year and our students win many prizes.

Special Days and festivals have also been celebrated in the school to inculcate cultural value into the students like Marathi Diwas , Hindi Diwas, Shivaji Jayanthi, Christmas , graduation day etc.

Moving Further

3. Sports

“Sports teach students invaluable lessons, beyond the playing field, team work, discipline, perseverance. They are the embodiment of dedication and pursuit of excellence.

The school has always taken initiative to bring out best talent of their students in the sports arena. We have expert coaches who train our student in different sports like wrestling, cricket, Football etc. It gives me pleasure to announce that, one of our student Gatha Ganesh Suryavansh of class VIII secured third rank in Badminton at National Level , Sahil Kishor Nikam of class IX got 6 th rank in wrestling at state Level and also 2 nd rank in District Level, Anuj Pawar of class X won 4 th position in Carrom District Level.and also the following students Chitra Mishra, Sara Bhagat of class VI , Lidia Caterin Victor of class VII , Gatha Ganesh Suryavansh , Lakshmi Ingavale of class VIII has won second position in Badminton Zonal Level and First position in District Level.

We also ensure that every student should participate in at least one sport.

Science

Science is organized knowledge, wisdom is organized Life. We have little scientists, who observe, analyse and invent new ideas. To promote these little scientists our school organized science and math exhibitions. The students came forward with creative ideas and models on

topics given to them. Senior students also made maths model, which they exhibited and explained to junior students so that their hidden innovative ideas can be revealed.

CLUBS

We believe in nurturing holistic development and offering avenues for students to explore their passions beyond the classroom. We have different clubs like Eco club, Health and wellness club, Heritage club, Reading club, Yuva Tourism and Grievance club. We conducted various activities and student participation is really appreciated. These clubs help to enhance life skills of the students. For Eg Eco Club- Our facilitator and the students plant more than 100 trees on environment day.

Special Educator

We have appointed special educator who works closely with students, tailoring learning experiences to accommodate individual requirements.

Medical Support.

We have infirmary with all medical facilities.

We have conducted Medical check-up Camp for our students of classes nursery to 12 by the team of Apolo hospital. They examined all the students thoroughly by doing the ENT, Dental and Eye Checkup. We also have special educator and councilor to take care of our special children

Our school has also conducted many workshops and training programs for the students and teachers. Most of the training programs conducted like health and hygiene seminar to inculcate the habit of hygiene. Adolescence is a crucial phase to, handle it properly different adolescence seminar were conducted in the school addressed by renowned Doctor

PTA ACTIVITIES

PTAs help build a sense of community among parents, teachers and students. we conduct Various activities like singing and dance competitions, cooking without flame etc. We are going to conduct the family carnival for the parents on 30 th of December where different stalls like food stall, Games stall, Mehandi tattoo, painting stall will be providing to the parents where they can show their talents.

SMC- School Management Committee

Various decisions were taken, they are mentioned below.

1. It gives us immense pleasure to announce that 6 floors of our building is completed, creating more classrooms, benefitting students.
2. Pedagogical planning, made the teaching and learning process more constructive, collaborative, integrative, reflective and inquiry based. It made the teaching more enhanced and learning informative.
3. Various trainings were scheduled for our facilitator to enhance their teaching and solving their queries.
4. This year we are introducing 'Robotic Lab.' The lab will be providing experiential learning through hands on fun filled activities.

Skill Education

In today's dynamic world academic excellence is just one aspect of preparing our students for success. CBSE promotes and we believe in equipping our learner with practical skills that transcend the boundaries of traditional education. Coming session we are introducing skill education. In that we have tied up with Ullipsu for classes from 1 to 8. Students will be able to learn 5 skills in a year. Coding, Science DIY.

Admission

I feel proud to announce that this year we got more than 500 admission cbse in our institute. It becomes possible because of you all by your mouth publicity. You are the brand ambassadors of the school.

TOGETHER WE CAN; WE WILL"

"Together we can change the world, just one random act of kindness at a time."

"Together let us desire, conceive, and create the new structure of the future, which will embrace architecture and sculpture and painting in one unity and which will one day rise toward Heaven from the hands of a million workers like the crystal symbol of a new faith."

सफलता कोशिशों की राहों पर पैर चूमती सफलता,
किस्मत के सहारे गले लगती असफलता।
कठिन परिश्रम ही सफलता की कुंजी है,
अथक प्रयासों से मिली सफलता गूंजी है।
हौसलों की उड़ानों ने सदा बुलंदी चूमी है,
पस्त हौसलों के पास असफलता घूमी है।
होगी हर मुश्किल आसान गर इरादे पक्के,

अडिग इरादों ने नाकामी के छुड़ाएं छक्के।
लक्ष्य पर जिसने साहस के निशाने साथे है,
सफलता ने उन्ही से मिलने के करें वादें है।

छात्रों के साथ अब तक का यह सफर काफी शानदार रहा है, जिसमें हमारे स्कूल के सभी शिक्षकों द्वारा छात्रों को समान रूप से उनके भीतर छुपी प्रतिभा को बाहर निकालने एवं उन्हें बेहतर भविष्य के लिए हर संभव प्रयास किए हैं।

आप आए तो बहारों ने लुटाई खुशबू फूल तो फूल थे काँटों से भी आई खुशबू।

छात्रों के अंदर आत्मविश्वास में बढ़ोतरी हो, वे नया कौशल सीख सके वे मंच से या समाज में अपने विचारों को दूसरों तक पहुंचा कर बेहतर निर्णय ले सके। बच्चे किसी भी देश का भविष्य होते हैं इसमें हमारे शिक्षकों और पालकों का बहुत योगदान है। अतः बच्चों की शिक्षा की नींव को मजबूत करने से उनके उज्ज्वल भविष्य का निर्माण होता है इसमें हमारे शिक्षकों और पालकों का बहुत योगदान है।
